TEACHING COMPETENCY EXAM REPORT

Date: 9th February 2024 & 15th February 2024

Teaching Competency assessment is a system for measuring and documenting personnel competency of student teachers. The goal of competency assessment is to identify problems with performance and to correct those issues before they go far university practical examination. In turn it helps in

- ✓ **Better performance and creativity**
- ✓ **Improved career progression.**
- ✓ **Increase in skill development and retention.**

LCE organized teaching competency exam for Level I on **09.02.2024 and for Level II 15.02.2024**. All the students participated actively and gained knowledge.

Students were divided into 16 groups & were arranged according to University Register number properly. The teacher educators also allotted with new duty roster time table to observe and to render the feedback to the student teachers. **Geo tag** photographs were taken for the report and to upload in the blogs and the students teaching was video graphed.
