REPORT ON WORLD ENVIRONMENT DAY REPORT

World Environment Day 2026

Loyola College of Education, Chennai, observed **World Environment Day** on **5th June 2026** with great enthusiasm and commitment to environmental sustainability. The programme aimed to create awareness among students and staff about the importance of protecting and preserving our environment for future generations.

The celebration commenced with a prayer service, invoking God's blessings for the well-being of our planet and all living beings. The Principal welcomed the gathering and highlighted the significance of World Environment Day, emphasizing the need for collective responsibility in addressing environmental challenges such as climate change, pollution, deforestation, and biodiversity loss.

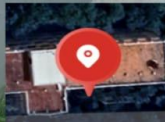

A special awareness programme was organized for the student-teachers. The resource person Rev. Fr. Dr. Alphonse Manickkam, S.J delivered an insightful talk on the theme of World Environment Day 2026, stressing the importance of sustainable living practices and environmental stewardship. The session encouraged participants to adopt eco-friendly habits and contribute actively to environmental conservation.

As part of the celebration, a **tree plantation drive** was conducted on the college campus. Faculty members, students, and non-teaching staff actively participated in planting saplings, symbolizing their commitment to a greener and healthier environment. The celebration served as a meaningful reminder that every individual has a vital role in safeguarding the environment and ensuring a sustainable future for generations to come.

World Environment Day celebration at Loyola College of Education was a resounding success, fostering environmental awareness, responsibility, and action among all participants.
