Report for the English Proficiency Test – Aug 2026

The purpose of the English proficiency test is to determine the level of English proficiency among the prospective teachers who enrolled in Loyola College of Education to pursue a Bachelor of Education degree during the 2026-2028 academic year.

The five fundamental English language abilities are included in the design of the test. Listening, speaking, reading, writing and fundamental grammar are addressed. The scores are used to help those in need by offering them specialised instruction to help them become more competent and fluent in English.

The first-year students 106 have participated in the proficiency test, out of which a few students were shortlisted for an additional certificate course on improving their essentials of English language.

1. Earth is a very small stage in a vast _____?
a) Cosmic arena b) Distant space c) Universe
2. What is a humbling and character-building experience?
a) Astrology b) Astronomy c) Science
3. The video shows that Earth is nothing more than a
a) Planet b) Dot c) Star
4. What did you learn from the video you listened?

II. READING

(5 marks)

Read the following passage and answer in your own words the questions given below:

Preserving nature is man's prime responsibility. The Earth does not belong to us, for us to use and abuse. We are but custodians to the Earth that is for our children, we have merely borrowed it from them and must give it back. As man became civilized he slowly lost his attachment with Nature. In his quest for development, man cleared pristine forests and polluted the environment. The magnitude of destruction increased in proportion to the magnitude of his greed. As man drifted away from Nature, his problems increased and his heart became hard and cold. The many calamities, misfortunes and problems of our times are but the manifestation of this greed. This is why we have injured people, animals and the environment. If we want to set things right, we must reconnect with Nature.

1. What is the prime responsibility of man?
