Date of the Programme/Activity:	14 August 2026
Time of the Programme/Activity:	1:15 p.m. – 1:30 p.m.
Target Audience of the Programme/Activity:	I Year Prospective Teachers (2026–2028 Batch)
No. of participants in the Audience:	115
Objectives of the Programme/Activity:	1. To orient prospective teachers about the Loyola SMART Campus and its digital connectivity facilities. 2. To guide students in accessing the free campus Wi-Fi and activating their institutional mail IDs. 3. To promote the effective use of digital resources for academic and communication purposes.
Name of the Resource Person/Chief Guest:	Dr. M. Amala Jansi ICT Cell Coordinator & Assistant Professor Technical Support: Mr. A.N. Sasidharan, Network Administrator, Loyola SMART Campus
Brief note about the Resource Person/Chief Guest:	Dr. M. Amala Jansi is an Assistant Professor and ICT Cell Coordinator at Loyola College of Education. She coordinates ICT-related initiatives and supports the effective integration of digital technologies in teaching and learning.
Few insights given by the Resource Person/Chief Guest (2 lines max.):	The prospective teachers were oriented on accessing the SMART Campus Wi-Fi and activating their institutional mail IDs . They were encouraged to use these

	digital facilities responsibly for academic communication and learning.
Learning Outcomes of the Programme/Activity:	• Prospective Teachers understood how to connect to the Loyola SMART Campus Wi-Fi. • Prospective Teachers learned the procedure for activating and using their institutional mail IDs. • Prospective Teachers became aware of the importance of institutional digital resources for academic activities.
Overall Impact of the Programme/Activity:	The orientation enabled the prospective teachers to become familiar with the institution's digital infrastructure and online communication facilities. It promoted digital readiness, connectivity and effective use of ICT-enabled academic resources among the new batch.
Any other remarks on the Programme/Activity:	-
