Date of the Programme:	07.08.2026
Time of the Programme:	09.00 am – 10.15 am
Target Audience of the Programme:	2nd Year Student-teacher
No. of participants	116
Objectives of the Programme:	✓ To promote the personal and professional growth of student-teachers through the study of real-life educational situations. ✓ To provide systematic guidance for understanding, analyzing, and interpreting educational case studies. ✓ To develop critical thinking, problem-solving, decision-making, and reflective skills among student-teachers. ✓ To equip students with the ability to examine and respond effectively to diverse classroom situations through case analysis. ✓ To encourage experiential learning by connecting theoretical concepts with practical educational challenges. ✓ To develop confidence in addressing complex classroom and educational issues through collaborative discussion and guided inquiry.
Name of the Resource Person :	Ms. R. Sridevi, Assistant Professor, LCE, Chennai
Learning Outcomes of the Programme:	At the end of this orientation, the students developed a clear understanding of the relevance and importance of case studies in connecting theoretical knowledge with practical classroom situations. They demonstrated enhanced critical thinking, problem-solving, and decision-making abilities while analyzing

	complex educational scenarios and identifying appropriate solutions to classroom challenges. The students were able to apply reflective practices by examining real-life educational cases and using the insights gained to improve their teaching approaches and professional practices. They also developed the ability to systematically investigate, interpret, and respond to diverse classroom situations through case analysis. Furthermore, the course enabled students to integrate theoretical concepts with practical experiences, encouraging them to learn from real-world educational challenges and develop greater confidence, adaptability, and professional competence for their continuous growth as effective educators.
